Dear Vicki,

This letter is to confirm that KM Tubular is in the process of an assessment to certify products under GECA's **Recycled Products** standard. The products that are being certified are:

- Grass-Cel Porous Paving Blocks
- Gravel-Cel Porous Paving Blocks
- Pebble-Cel Porous Paving Blocks

GECA cannot confirm that a certificate of conformance and subsequent GECA certification will be granted, only that the assessment process is in progress.

We would be happy to confirm this and update you and your potential suppliers on this process and outcome as necessary.

Please note that this letter of intent is valid up to 07/01/2024.

Please do not hesitate to contact us for more information and/or support as required.

Yours sincerely,

Josh Begbie
